Rev Desmond Gannon
Unit 1/102 Hutton Street
THORNBURY Vic 3071

Dear Father Gannon,

In recent months I have referred your case to the Congregation for Doctrine of the Faith, who has directed that, in view of the provisions of *Sacramentorum sanctitas tutela, art.13*, I should impose a penal precept upon you concerning your permanent removal from public ministry and from places where an offence is likely to take place.

I commend you to an ongoing life of prayer and penance and I assure you of my own prayers.

With every good wish,
