Dear Mr Pavlou

I refer to your letter of 2 August 2010 concerning the ongoing support provided to you by the diocese.

I have considered the matters raised in your letter and agree that the diocese will continue to provide you with rent free accommodation for the time being. The Living Allowance, however, will cease with effect from 30 September 2010.

While I fully understand the employment challenges you are experiencing, you have, like all others in the community who are out of work, the option of applying for and receiving social security benefits until you find employment.

Yours sincerely in Christ

Bishop Les Tomlinson
VICAR GENERAL
