Dear Father Paul,

Further to our meeting yesterday and your indications about your future, I write to advise you that your appointment as Administrator of the Parish of Healesville will conclude on 29 November 2006.

I am in the process of appointing another priest to administer the parish from that date.

I thank you for all that you have done in Healesville. The people there have spoken very kindly of you and of your goodness and I assure you of their and my prayers for your future welfare.

With warm personal regards and every good wishes,

Yours sincerely in Christ,

ARCHBISHOP OF MELBOURNE
