REDACTED
ELTHAM. 3095

Dear Mrs. REDAC,

Please forgive my delay in answering your letter of 28.8.91.

I appreciate your sharing with me the difficulties that you experience in the Parish life of Eltham and in the manner in which the Parish Priest, in your perception, reacts in the relationships he has with so many people.

Please be assured that I have presented the contents of your letter to the appropriate committee for consideration. I trust you will appreciate that whatever can be done often takes time because of the delicate nature of the situation. In spite of this, may I assure you that pursue it we shall.

In the meantime I wish you the choicest of God's blessings.

Yours sincerely,

Rev. Monsignor H. Deakin
VICAR GENERAL
