23rd June, 1989.

Rev. Wilfred J. Baker, P.P.,
Catholic Presbytery,
P.O. Box 310,
ELTHAM, VIC. 3095.

Dear Father Wilfred,

Thanks for your letter of 20th June, 1989.

Be assured that the Archbishop will provide you with a response that will aptly befit your request.

Perhaps too the Archbishop will not be the only one willing to indulge some delight in seeing you off at last on a protracted holiday, if only it will provide you with the break you deserve.

I note that you go for the top drawer in providing a replacement for your good self through your projected absence

I shall send an authorisation letter to Mr. Spiers under separate cover. I leave it to you to make arrangements with the Schools Provident Fund.

In anticipation of the smile that will break across your visage on the reception and reading of an archepiscopal letter, I remain,

Sincerely yours,

Heion Deakin
