BLTHAM. Vic. 3095

Dear Gaye,

I assure you that I have given a lot of time and reflection to the contents of your letter of the 14th December, 1986.

I can well appreciate your distress and am consoled to know that you were ready to offer advice and encouragement to the lady concerned.

You will appreciate that there is very little that I can do on the practical level concerning Father Bill, but at least I have some information which may be of assistance to the Archbishop and to his advisers at the appropriate time.

Thank you once again for taking me into your confidence and I trust that the coming weeks will provide you with an opportunity for relaxation and renewal.

Yours sincerely in Christ,

Rev. Monsignor P.J. Connors
VICAR GENERAL
