88 South Circular Rd., Gladstone Park, Vic. 3043. Presbytery: 338 2840. School: 338 7686

Friday.

Dear Frank,
Sorry to have bothered you with that phone call this morning - I didn't know about Bernie Dillon - you sounded so tired and worried; gave you a special mention at Mass. Please God, anyhow, I won't be the cause of any more headaches - I hope! Have written nice letters to the several families here, truly wanting to leave peace and assurance.

Thank you for sharing in our great day on June 16th, we all really love you. Your own personal note was much appreciated too. May O.L. Help of Christians see you through the struggles - what with the church opening AND the new parish, I guess she is now a kind of personal patroness of mine.
God bless.
Bill.
