

emo to Father Dooley
 From Joan Lower
 Re Doucton

Tom,

Alan Dooley called in today (2/5/85) to report the following which has occurred at Doucton over the past couple of days.

(i) A mother phoned Alan to report that her Gr. 6 daughter who is REDACTED was spoken to by Fr. Scanson on the playground yesterday about her size. He tickled her stomach and made remarks to another REDACTED girl saying - Don't you ever look at yourself in the shower.

The first girl was the same one whom Father had cuddled in the sanisty in February.

(ii) A teacher who was preparing children for Reconciliation saw that one child was quite upset. The tchr. enquired why and was told that Father she didn't want to go to Confession because of Father - he always wanted her to sit on his knee. The tchr. advised the child to tell father she didn't want to sit on his knee again and if she felt uncomfortable to come out. - This she did and it then came out that Father had been sitting her on his knee ever since her 1st Reconciliation.

Thank you
 Joan Lower
