

2/1

THIS LETTER WAS NOT DISTRIBUTED

3rd October 1986

Dear Parents,

By now you would all know of Graeme Sleeman's resignation as headmaster of our school. I am a very concerned parent and I would like to communicate with other parents about their feelings over Graeme's resignation.

It is quite possible that more of our fine teachers will leave the school as I believe they may find their position untenable following Graeme's resignation.

I feel very strongly about this and would like to rally with other parents to try and keep Graeme at the school. It is apparent that many other parents feel the same way and I would ask for your support.

I would like to meet with all parents who share my concern, at the school, this Sunday, 5th October 1986 at 5.30 pm to discuss possible ways to keep our school's staff and community together.

Let's rally together and see what can be done.

Yours faithfully

REDACTED

PRESIDENT, PARENTS AND FRIENDS
