INTRA-OFFICE MEMO

REF. NO.:

MEMO TO: FATHER DOYLE

FROM: NORM LALOR

RE: DOVETON

CONFIDENTIAL

Allan's letter is intended to keep us informed of developments at Doveton. The climate is still not good, but Allan is monitoring closely. The situation has been complicated by the illness of Lalie McGrath. Allan's letter does not mention the appointment of the non-qualified I.C.E. Graduate - this has been resolved. Graeme Sleeman may have been at error in that appointment.

Allan's letter does indicate to us the need to be aware of developments at the school level. — I believe all we can do at this stage is ensure Allan monitors the situation closely & keeps us informed.

I appreciate your worry. Fr. S. is an extremely devious and dangerous man. I think Alan is being a bit naive and he wants to stand back a bit because when it blows up again he will have to retn troll. We should follow up AFS position ASAP and also ask use of relocatable / although I don't think it's one of ours (am checking). I'd suggest Alan keep monitoring but there is a need to warn him to watch at.
