RE : DOVETON PARENT COMPLAINT

REF. NO.:

file

Dear Tom,

Graham and I have arranged to meet with two representatives from Doveton.

We are very aware that these people have had much consultation and no action, as they see it.

Where do we stand on giving them avenues such as C.S.V. and Community Police for them to take any further action? Other than these suggestions we will be merely pacifying them again.

Could you please advise.

Mary-Ann
