

29th September '81

Dear Father,

We as representatives of the parents and friends of the school are here today to ask you on our behalf to Urge Cramme to rescind his resignation, as we believe it would be a great loss to both the school and children. We believe that negotiations between the two of you are still open and we see this as our only course of action open to us at this time. We truly believe that this issue could divide our community and hopefully this can be avoided.

Yours Sincerely,

Mr G Bailey

Mrs J. O'Neil
