26 April 2002

To All Bishops of Australia.

Dear Brother Bishop,

You may be asked to comment on the recent meeting between the Vatican and the U.S. Cardinals. You may wish to read the enclosed before doing so. It is a response to a paper sent to me by a priest, but I do not believe it is necessary to read that paper in order to understand my response.

Yours in Christ,

Bishop Geoffrey Robinson
Chairman
Bishops Committee for Professional Standards
