His Eminence Cardinal Clancy
Archbishop of Sydney
St Mary's Cathedral

Your Eminence

I enclose a copy of a letter Prot. N.20000113, of 1 February 2000 from the Congregation for the Clergy concerning the request for a meeting in Rome on the theme of Clerical Sexual Abuse. The letter was received here at the Secretariat on 18 February.

Bishop Robinson was aware of the letter and its contents, from overseas contacts I suspect, before it arrived. I provided a copy for him to assist with preliminary planning.

I have not responded to this letter but am happy to do so when advised.

With best wishes,

Yours sincerely in Christ

Rev Brian V Finnigan
Secretary
