Dear Brian

CONFIDENTIAL

**RE THERAPEUTIC INTERVENTIONS FOR VICTIMS AND
PERPETRATORS OF CHILD SEXUAL ASSAULT**

You may recall that at our meeting on the 29th December 1992 I undertook to prepare a draft paper on the above matter in the light of our discussions at that time.

The draft paper is attached. I hope it represents the spirit of our conversations. I would be pleased if you would peruse the paper and forward me any comments or suggested changes by the end of the month. I will then endeavour to ask Peter Connor to put it on the agenda for the Melbourne meeting.

Kindest personal regards.
