Dear Kath

I have been trying to e-mail you unsuccessfully. Thank you for contacting me about the sensitive matter some weeks ago.

As the person is not a "current employee" now when the allegation arose, this particular incident is not notifiable to the Ombudsman's Office.

However, I am speaking with the Bishop's office in respect of Duty of Care issues.

If you wish to discuss this further, please do not hesitate to contact me.

Regards

Anne Walker-Rolls
