T/A Paul Reynolds + Lesley Hirtler.
They are concerned about Ellis' comments + the value of the proposed payments. He also has a limitation problem esp since Fr Duggan is ill.

CCI wants an Deed to be a final settlement.

CCI agrees with our approach.
Paul is happy with the terms of the Release as long as charges not made.

If it goes to legal action, Ken Patrick Monahan may get involved.
Not sure if facilitation will proceed on 20 June 2004. CCI awaits our advice. *DC*
