Dear John

**Re: Your letter of 23 February 2009**

Thank you for your very kind letter. I appreciated your comments. I have written to you under separate cover on behalf of the Cardinal in relation to the matters you raised in your letter to him. He will be returning to Sydney at Easter time. I will speak with him in more detail about your letter at that time.

In the meantime I want to assure you that your expenses claim on 13 January 2009 has not been overlooked and has now been processed. I am sorry for the delay in this matter, but I have endeavoured to expedite it before I also go away for two weeks.

I hope you are well and I look forward to seeing you soon.

Yours sincerely

  
Fr John Usher  
CHANCELLOR
