Dear Nicola

Re: Legal matters

I apologise for the delay in responding to your letter of 4 February 2008. Unfortunately correspondence relating to John's issues have been caught up in various legal processes.

I understand that there has been an exchange of letters between Corrs Chambers Westgarth and John's Solicitor, David Begg. The matter is more complex because it is being managed through Catholic Church Insurances in Melbourne. It is my understanding that David Begg's correspondence with Corrs Chambers Westgarth and hence with Catholic Church Insurances has been received and responded to.

Nicola, I would be happy to meet with you to discuss the matters raised in your letter if that is your wish. If you would like to set up a meeting could I suggest that you ring Maureen Fairbairn on 9390 5185 to set up a mutually convenience time for a get together.

Yours sincerely

Fr John Usher
