Dear Michael, Michael, Fr John and Marita,

Please find **attached** below a copy of the Plaintiff's application for special leave to appeal to the High Court which was faxed across a few moments ago.

As you will see, Ellis has concentrated his efforts on the findings relating to the RC Property Trust Act 1936 and the liability of the Trustees. The relevant paragraphs of the judgment on appeal are 94-151 which, in my humble opinion, are the most concise of the whole judgment, both on the law and in fact.

We will receive the Plaintiff's summary of argument in the next month. in the meantime, I will arrange a meeting with counsel so that we may begin our preparations straight away.

I will of course keep you all informed of any developments, however please feel free to contact me if you would like to discuss this.

Kind regards

John
