Subject: Facilitations - Sydney Archdiocese

Good Morning Michael!

In case you might have thought you were becoming redundant(!) John Davoren and I had a meeting with the Archdiocesan Chancery yesterday concerning Sydney cases. We identified several which may now proceed to facilitation.

It is not clear at this point whether any particular facilitation process will be done with Archbishop Pell or Bishop Cremin; that depends on events currently taking place in Melbourne.

In any case your primary contact is Fr John Doherty, Chancellor, who can be reached on 9390 5184 or by e-mail at john@ado.syd.catholic.org.au. He is familiar with all these matters.

This office, of course, will assist in any way as required.

Many thanks. Michael.
