Hi Michael,

I trust you are enjoying your break. Sorry to intrude, but I want to get this to you before it falls through the cracks, particularly once I go away from 30 Jan.

John Ellis still wants to have a facilitated meeting with the Archbishop or his rep. I've spoken with Dr Michael Casey (secretary) who suggests Bishop Cremin. That makes sense, given the role he has played in this case so far.

I've also told Ellis that many people are on holidays and that nothing is likely to happen before February. He accepts that.

I'll leave it to you to work out a suitable time, through the Chancery, and to let John Ellis know. His work number is

REDACTED

All the best.

Michael.
