<p>RH spoke with the facilitator. He knew about the e-mail to Mons Rayner - complainant had also e-mailed it to him. He had spoken to Dominic Cudmore re getting a blank DoR to the complainant before Friday. He had also spoken to complainant re facilitation starting on a positive note - not sure that complainant was able to take this on board.</p> <p>Agreed that there seemed to be no point at this stage in trying to correct the mis-statements in the complainant's letter to Mons Rayner.</p>
