Note Memo

Phone call to John Ellis, informed him Dr Burn's psychiatric report on Fr Duggan.

John Ellis accepting of this.

As per recent discussion with Mon Rayner I offered John Ellis the option of formal assessment, explaining that this would not involve Fr Duggan given his psychiatric prognosis.

John Ellis keen to take up option - explained the benefit to his case if he could identify corroborative witnesses.

Also discussed Angela Ryan's comment of (Friday 20th) re John seeking a contact person able to afford him time[given Laurie Needham's advancement to Provincial of Christian Brs]. Said I would attempt to arrange this.

Meeting with Bill Johnson - he is willing to be the contact person providing JE is OK with the fact that for a period Bill Johnson was Mons Rayner's teacher.
