John

I have confirmed with the Professional Standards Office and Monsignor Rayner's office that your email letter has been received.

I have been told by Monsignor Rayner's office that a pro forma deed is available and that it can be forwarded to you. If I receive it tomorrow (Friday) I shall email it to you late on Friday or fax it to you on Saturday morning (depending on whether it is emailed or faxed to me).

I will not be able to telephone you tomorrow during the day tomorrow, but I shall call on Saturday morning. I hope that is convenient.

Kind Regards

Raymond
