Attention: Michael Salmon

Michael,

I refer to my letter sent to you on Friday evening 30 July 2004 requesting a review of the Towards Healing process. After reviewing a printed copy of that letter, I noted a number of minor errors and omissions. I therefore attach a revised letter dated 31 July 2004 and request that you disregard the version dated 30 July 2004. For your convenience, I also attach a marked-up copy showing the corrections. For the avoidance of doubt, only a clean version of the letter dated 31 July 2004 has been copied to the National Committee for Professional Standards.

Please let me know if you require copies of any of the referenced correspondence or any other documents to facilitate the review.

Regards

John Ellis
