**Note Memo**

Informed by Mons Rayner that the matter is covered by CCI. Therefore CCI & its lawyers will formally take responsibility for replying to the 28/7/04 communications from David Begg & Associates.

Phone discussion with Julian McDonald confirming the Request for Review of Process. MS gave Julian McDonald a general overview of case.

Agreed that there was not a requirement for PSO to prepare a response to the 31/7/04 Ellis communication. Julian will inform David Landa of the request. David can examine the file at the PSO & copies of relevant documents will be provided upon request.
