Mr John Ellis

Dear John,

I acknowledge receipt of your formal request for a Review of Process.

I can advise that pursuant to recent amendments to the *Towards Healing* protocol the Director plays NO appreciable role in the process other than forwarding the request and supporting documentation to the National Office of the NCPS.

The Committee will organise a panel to evaluate whether there is a prima facie case for Review. If a decision is made in the affirmative an independent Reviewer will be engaged to complete the task.

Usually, a Review is completed on the papers.

Yours sincerely,

Michael Salmon

Director of Professional Standards
