Dear Michael

Attached is a note summarising a discussion I had with Br Ross Murrin who is presently in custody. This discussion took place just a couple of days ago. I have not discussed this matter with Greg Walsh who will be representing Ross personally in the civil action with Porters Lawyers. Monahan and Rowell will be representing CCI who has an interest in this matter. I don't think that any boundaries have been crossed here in myself telling RM of the allegations and getting his reaction. No police involvement here. I would appreciate any comment before I make this known to DK and also to Patrick Monahan.

Alexis
