"Without Prejudice"

Dear Sara,

DG

v THE TRUSTEES OF THE MARIST BROTHER

Thank you for your letter of 21 February.

I am presently considering Dr Chalk's report with my clients, and I will then seek their instruction as to whether I should provide you with a copy.

Now that the report is available, could you please let me have your suggestions as to how we might now take matters forward. In particular, do you envisage a ~~structured mediation or a settlement conference, and where do you suggest that this should occur.~~

Yours faithfully,

P.J. Monahan
