Dear Jeff and Howard

Regarding this man DK I have a feeling that we need to respond fairly quickly. Jason Parkinson has indicated that he is in touch with a number of people from Cairns. From my discussion with DK I suspect that Parkinson has been in touch with him or vice versa but that at this stage DK does not want to proceed with Parkinson. I feel there would be benefit in DK speaking with Peter Rodney and Gerry Burns not necessarily together. I think that both acted well in the circumstances of Murrin's earlier offences at Cairns. There do seem to be other issues which Peter Rodney would have some memory of. Howard I don't know if there are legal problems in allowing Peter Rodney and Gerry Burns to talk to this man but it seems ok to me. I think time is of the essence. If we were to tell the man that Gerry Burns is down in December then he would be happy with that I feel. The next question would be who is the best person to contact him?
