What does a CHILD FRIENDLY COMMUNITY look like?

Show us and you could win one of three kids bikes thanks to Brian Page Cycles.

How to enter – it is really easy!

- On an A4 piece of paper, create your own picture of your idea of a child friendly community.
- It may look like your school, your home, your local park. It may include the happy faces of those people around you that you know and respect. It might even be a dream world where kids are really happy that adults haven't seen yet!
- Fill in the details on the bottom of the form. Don't forget your age – categories Under 6, 7 to 10; 11 & over.
- Hand your finished entry back to your class teacher.
- Make sure that you have done all of this before 31 August, 2006 – we don't want you to miss out.
- If you are one of the three lucky winners, we will give you a call and tell you after the judging has finished. The prizes are 1 x 12" kids bike boy or girl rrp \$125.00; 1 x 16" kids bike girl or boy rrp \$155.00, 1 x 20" kids bike girl or boy rrp \$195.00. Each child will also receive a free kids helmet to go with the bike they have won rrp \$49 each.
- Have fun – and remember, we want to see just how awesome a child friendly community actually can be.
- Please, cut off the portion below, and attach to the back of your entry.
