Dear Principals and Student Protection School Contacts

Below are links to copies of the Queensland Child Protection Award Activity Grant Application Form and Grant guidelines.

In past years, a number of schools in the Diocese have successfully applied for and implemented significant local programs to raise awareness and to celebrate National Child Protection Week.

The 2008 National Child Protection Week theme is ***“Children See, Children Do”..... Make your influence positive.***

Please note that even though these forms have only been received last Friday, we have been advised that applications must be received by ***close of business Friday, 30 May.***
