Dear Principals

The student protection induction package has been recently updated to reflect current legislative and policy requirements around the reporting of abuse and harm to students.

All new staff members are required to view this material as part of their broader induction to their role.

The current student protection induction package can be accessed via the Intranet at:

<https://ceo.twb.catholic.edu.au/Administration/StudentProtection/Pages/default.aspx>

[+](#) : Student Protection Induction for New Staff (5)

Ongoing developmental work will occur in this area to reflect upcoming legislative changes in 2013, and the move towards an interactive on-line induction process. Further updates will be provided in due course.

Should you have any queries regarding the student protection induction process please contact the Student Protection Officer, Peter Simpson, on 4637 1421 or peter.simpson@twb.catholic.edu.au
