Staff-in-Confidence

Sir

The attached document is the report from FLTLT(AAFC) Hargreaves as discussed. FLTLT(AAFC) Hargreaves is currently without computer or email access hence the delay. In view of the events at 308SQN as previously advised, FLTLT(AAFC) Casey, CO 308SQN is no longer in a position to provide support to LAC(AAFC) Adams as he now has cadets as victims.

Regards

Wayne Laycock
Wing Commander (AAFC)
Officer Commanding 3 Wing
Australian Air Force Cadets
