Sean,

The matter relating to the current trial of LAC Adams is not connected with the incident relating to the CJE family and hence I am reluctant to provide updates on that. I expect if it is information available on the public record, and I am not sure if 'trial dates' fall into that, then the CJE family can access that.

I will speak with AFLegal on Monday to see if my view is reasonable, however I do not believe it is the role of AF or AAFC to be providing updates on an unrelated issue.

Will get back to you.

Jo,

If you have a spare moment on Monday, would like to discuss.

G'day Sir,

Regarding the ongoing LAC Adams matter (allegations of incidents with AAFC cadets), in order to continue informed management of CB-AF support to the CJE family, can you please advise if the member's unit has provided any update ref the court hearing?

Obviously CB-AF is not seeking specific private information pertinent to the member, but rather general information regarding the hearing - has it concluded or when it has been re-scheduled etc?

If this info is not easily at hand, please advise and I can seek info via the NSW police investigating officers.

Thank you,
Sean
