Barbara

Attached is formal Hot Issue brief of an incident previously reported involving an AAFC staff member having an inappropriate relationship with a female cadet. From the initial AAFC investigation I have been advised today that the male AAFC staff member had inappropriate relationships separately with two female cadets during the AAFC camp in January 2013 at RAAF Wagga Wagga.

As the cadets were under age 18, the matter is being referred to the NSW Police.

Note that the AAFC staff member is also a member of the RAAF.
