anyway, a while ago, [REDACTED]
added me on facebook & i was
like wtf?! so i messages her
saying "thanks for the add but do
i know you?" and she said i saw
an email between you and my
husband, what the fuck??
anyway long long story short, i
called chris i told him what was
happening, i was shitting bricks
because she said she was going
to turn me in...anyway its all
good now, but chris was me off
course because he thinks im
going to come onto him -.- no
way in hell will i, like uh ah no no
no nah nah nah no fuck off
