Hi <sup>C/JF</sup>,

It really was great to meet both you and <sup>C/JE</sup> today. She is an impressive young woman and I do hope my visit was of some benefit to her.

I have just spoken to the Chaplains office at Wagga and they have two chaplains in most days. They are happy to see <sup>C/JE</sup>, I didn't give them the background, just mentioned there were a couple of sensitive matters that she is dealing with and she could benefit from a chat with someone before she departs Wagga on Saturday. They said it is best is you or <sup>C/JE</sup> give them a call on **REDACTED** to make a time to meet with one of them.

I would also like to send <sup>C/JE</sup> some of the information that was sent to her parents in relation to support available to her. Can you please email or text me her email address and will send that on to her. I really would like to see support booked in for <sup>C/JE</sup> when she returns home. While I think she is coping well, I still think she could benefit from speaking with someone independent to all of this.

Thank you again for your time today and for your support of <sup>C/JE</sup>. It is greatly appreciated.

Regards,

Jac
