Good afternoon Ms CJO

I not sure what information you have been provided already about medical support. I thought it be best to send you an email with the options available to you and CJE . I understand your preference is to use a private provider.

If you go through your family GP to arrange a referral for a counselling service there are a few options for payment:

If they take an invoice you can send the invoice to:

SQNLDR Jacqueline Hatch
Cadet Branch Air Force
F4-02-038
PO Box 7933
CANBERRA BC 2610

or scan them in an email them to jacqueline.hatch@defence.gov.au

While invoices are easier for us, if they want payment at the time of appointment, we can use credit card over the phone. Please give me a call to arrange this and we can coordinate a time to contact the service provider.

We can do reimbursements, if you would like to pay for the appointments in the first instance, however we will then be required to put your details in to our payment system and that can take a couple of days.

I am more than happy to go with whatever is easiest for you in terms of making the payments. Please give me a call if you have any questions.

If you wish to use the services available to the community, the following services have been recommended by the Defence Community Organisation in you area.

Life Resolutions - Located in Oatley - 02 9690 5888

Anglicare Support Services 02 9895 8000

Wesley Mission 02 9263 5555

Kids Helpline on 1800 551 800

Hope this information is of some help.

Regards,

Jac
