Ma'am,

Once again, thank you for coming the other day to speak to the PLTOFF (AAFC) <sup>CJF</sup> and I, really appreciate your support and advice.

Just to let you know, I will shortly be organising a few sessions with a councillor to help me manage my stresses and anxiety and also speak to someone with no little or close relation.

Regards,

CJE

I hope the last day of the promotion camp is going well. I understand the last couple of days have been stressful for you, however I am very impressed that you have been able to remain in Wagga and continue to instruct on the camp. You are clearly a very dedicated member of the AAFC. Your welfare is my highest priority and do hope that if it gets too much for you that you will let me know.

I have just emailed both of your parents to advise them that DGCADETS-AF Air Commodore Green today provided an additional package of information to NSW Police to assist with their investigation relating to LAC (AAFC) Adams.

Cadet Branch Air Force, with the assistance of the AAFC, will continue to assist the NSW police in anyway they can.

As always I am just a phone call or email away if you need anything.

Regards,

Jac
