Thanks Ken

Jac as discussed please keep close coordination with Wayne so that all three female cadets are well managed with similar information flow.

Although Mr. CJO her daughter and PLTOFF consider they are being dealt with by Branch, this should be as much as possible one message via chain of command.

Subject: Contact with Ms CJO

Sir,

In discussion with Wayne later last evening we have agreed that he will leave it to Jaq to contact Ms CJO and PLTOFF(AAFC) CJF with the intention of her (Jaq) becoming the POC/support person for Ms CJO and CDT CJE. Of course, as the matter has been reported to the police, all formal investigation of the issue by the AAFC is now on hold pending the outcome of the police investigation.

However, I did ask Wayne, with Darren's help, to continue to work with the other two female cadets who are part of the broader scenario, in an attempt to get them to report their experiences to the police.

Would appreciate Jaq keeping us in the loop (blind copies) on her contacts.

Best Regards

Ken
