Jacqueline,

I can't say thank you for this negative response. [REDACTED] has been more of a father to CJE for 14 years of her 17 years of existence on this planet than her father. The mere fact that CJE resides with her father for the past 12 mths is her stubborn choice not ours.

We get the phone calls of picking up the pieces when things go pear shape, her paternal father simply denies and runs the other way.

I'm forwarding this letter on to our legal adviser. I'm not impressed one bit!
