Hi CJP,

In relation to commonwealth funding for professional counselling services, Cadet Branch Air Force are still happy to fund reasonable costs associated with any requirements you have.

I am not sure if you have a service provider in mind, however once you have selected who you would like to see, please confirm if they take credit card payment. If they don't we need to add them to the Defence Payment System and this can take some time. We are still trying to get the information we require to get Gareth Wild, who met with CJE, on our system.

I hope CJE is going well with her final few weeks of school.

Regards,

Jac

Jac,

I'm starting to feel that I need to speak to someone on a professional level. Is this still open to me?

Hi CJP,

Hope your week is going well. I understand CJE had an appointment with a counsellor on Tuesday and I hear from PLTOFF CJF that the appointment went well, so that is good news.

I received a phone call from the counsellor yesterday in relation to the payment process. Unfortunately the email address I had noted down does not appear to be correct and I don't have any other contact details for them. If possible, could you please either forward me their contact details or pass on my email address to the counsellor.

I have no further updates from this end in relation to the investigation, however as I have mentioned before I expect that you would be more likely to hear anything before we do anyway.

Please let me know if you have any questions or need anything further from me at this stage.

Regards,

Jac
