Dear Sir/Maam,

I write to you to outline the circumstances surrounding Cadet Warrant Officer^{CJE}
^{CJE} a current member of the Australian Air force Cadets.

In January 2013, ^{CJE} participated in a two week cadet promotion course at RAAF Base Wagga. Since this time there has been an allegation of inappropriate behaviour occurring while on the promotion camp.

This matter has been handed over to the NSW police for investigation and as a result of this ^{CJE} has been required to give evidence to both the Australian Air Force Cadets and NSW Police on several occasions. The investigation is ongoing and has caused a large amount of stress for ^{CJE}

If you have any questions or concerns with this matter or the support provided by the Air Force to ^{CJE} please contact me on the details below.
