Ma'am,

Sorry, the previous email was a mistake. As soon as possible if you can, the paperwork is due mid September.

HSC is going well, the CUO at my SQN and I organised times to come in because we're both doing the HSC so I'm going every second week so it's working well around the HSC.

Thank you,

CJE

Hi CJE,

It is nice to hear from you. AIRCDRE Green is overseas on leave at the moment, however I am more than happy to write something for you. When do you need this information? I will draft something send it to you in an email and if you are happy with the content, I will sign it and forwarded it to you.

How is your HSC going, when are your exams? I hope the arrangement of parading only every second week with the AAFC is giving you the time you need focus.

Please let me know if you need anything else or if I can help in way.

Regards,

Ma'am,

As you know the pressures and worries that I am under with this investigation and may but mostly will affect my HSC, I have began the process of filling out paperwork for EAS (Education Access Schemes) which will be an aid for my HSC to give me (hopefully) bonus ATAR points due to the circumstances that I am under that have effected my studying for the HSC mentally.

To be attached to this paperwork, I need to provide evidence to become affective, I understand you are busy and have a lot of things to do, but is it okay if you or AIRCDRE Dennis GREEN can write a one page summary of what has occurred?

I will be asking Detection Brent Fletcher to be doing the same as well as my Psychologist.

Thank you,

CJE
