Morning Ma'am,

Start exams in about 12 days and finish them all in 35 days so its getting very exciting to just finish them all.

Hopefully the Detective will contact the DGCADETS-AF soon.

Thank you,

**CJE**

**UNOFFICIAL**

Hi CJE, it is nice to here from you.

I am well and imagine a little less stressed than you must be now that you are at the business end of your final school year! When is your final exam? You must be looking forward to having them all over and done with?

Thank you for sending through this information, I have discussed this with DGCADETS-AF this morning and he advised that he has not had any further requests for information from the NSW police at this stage. We will be sure to act as quickly as we can should we receive any further request from them.

In relation to CWOFF CJG, I have not heard from her as yet. I understand that SQNLDR (AAFC) Banfield is still in contact with CWOFF CJG and her family, not as an investigator only as a support person. As the matter is with the NSW police, there is no AAFC investigation and as far as I know it was only requested that SQNLDR (AAFC) Banfield cease contact with you. However, I am happy for CWOFF CJG to contact me if she needs anything or wants further advice.

Anyway, please let me know if I can help with anything else.

Regards,

Jacqueline Hatch

**Subject:** The Investigation

Ma'am,

Morning Ma'am, how are you?

Just thought I should notify you that I received a phone call from Detective Fletcher on Wednesday [25SEP13] in the evening telling me that he had questions LAC ADAMS that morning, and told me that ADAMS had denied all claims of the incident in January, and also told FLETCHER that he was with the Air Force, due to the facts that ADAMS had 'lied', there were no changers laid. The Detective had also told me that he will be contacting the Air Force and/or the AAFC about more information of his roll on the Promotion Course.

On another note, CWOFF C.JG contacted me a week or so back, telling me that SQNLDR (AAFC) Banfield had been contacting her about the investigation within the AAFC, was he or wasn't he meant to cease all contact? Or was that just with me? Also, I gave C.JG your email as she thinks that she isn't getting much support within the AAFC and feels like she isn't getting enough information of what is happening.

Thank you,

Regards,
