Note the info in CDF's letter about Air Force seeking statements from Police. Status on that?

For DRMS.

Sir,

I have obtained the attached copy this afternoon. We had input into the response but it was drafted by CDF's office.

Kind regards

Late last year Ms **REDACTE** wrote to CDF to complain about issues related to LAC ADAMS.

Did you get a copy of the letter?

Has a response from AFHQ been sent to CDF? If so request a copy.

Dennis
