CJO
Importance: High

Dear Terry,

I have been seeing my Clinical Psychologist now post Trial, in which ADAMS pleaded Guilty to charges. His sentencing is December 17 2015 at Newcastle District Court.

The week of the Trial was absolutely harrowing and caused quite some distraught to our girls, and also the parents. This whole ordeal has been horrendous and you would have no idea of the impact it has had on me personally, my daughter and seeing first hand the victims and family of others.

I have been seeing my Psychologist on a more frequent basis on the lead up to the trial and ever since more now. I am formally requesting an extension of financial support for myself till at least 6 months post sentencing.

Sincerely yours

CJO
