Dear Mrs ^{CJO}**RESPONSE TO EMAIL DATED 3 NOVEMBER 2015**

Thank you for your email dated 3 November 2015.

I acknowledge that as per your email, ^{CJE} may choose to discuss her concerns and case matters with you. Under the requirements of the Privacy Act 1988, I am unable to discuss these matters directly with you as ^{CJE} is no longer considered a minor. I understand this may be difficult to accept, however I need to respect ^{CJE}'s privacy in these matters.

In the letter to ^{CJE} I advised her that ongoing support may be available through the Military and Rehabilitation Compensation Scheme through the Department of Veterans' Affairs and that she could contact Cadets Branch-Air Force (CB-AF) to discuss the contents of the letter. I am aware that my staff have been in contact with ^{CJE} today and discussed options for support.

With regards to the provision of support, CB-AF will continue to be the point of contact for you.

All the best.

Yours sincerely
